Ideally aged for girls and boys aged from 6 to 12 years, bring your army of party goers to Solstice Plays Combat War Zone to battle it out and have the best party ever.

When you arrive you will be assigned into squads and asked to name your own teams. You will then be issued with your kit of safety goggles, team bibs and weapons. Weapons and ammunition are only issued after paying attention to the safety briefing, and then it's time to head out into combat together.

All this and with following included:
